

Elektrische.TV (Muzzikae) create a unique sound identified as Intelligent Electro. Their music is daring and provocative. The band, founded in 2001 by Pres, is the result of a dynamic collaboration between musicians of different backgrounds. To date, they have released three songs, each available in various album compilations. Each and every sound on stage is produced live. **No sequencing. No cheating. Only raw energy.**

### Elektrische.TV is:

#### Pres

electronic drums

#### Sebastian Serpell

bass synths/vocals

#### Julien Pablo Escobar (Cane 141)

organs/lead synths

#### Trish Muzzikae
